The goals of the paper are to explore Lux characteristic and to find out her psychological background. The method used is the library research. Analysis is done by finding reasons and factors behind Lux's act is what the paper all about. In the end it is concluded that: 1) The reasons are because of the feeling of depression, hopeless about the future, and the miscommunication and the lack understanding from the family side. 2) The factors are social isolation, the misused of parents' authority and copycatting of her sibling (SS)
